

FREE VISA SERVICE FOR ALL NCCU VISA CHECK CARD HOLDERS.

The Visa Account Updater (VAU) service provides updates to merchants who maintain card-on-file (COF) account information to process recurring member payments, such as monthly subscriptions, utility payments, etc. If you have a change on your NCCU Visa Check Card (expiration date, name change, etc.) that is on file with a participating merchant, the Visa Account Updater will automatically provide the updated information to that merchant for you. This service will also assist with reducing the number of declined transactions due to expired cards, lost/stolen cards, or other card-related changes not reported by cardholders to impacted merchants. As an NCCU check card holder, you will be automatically enrolled for this free Visa service.

If you choose to **opt-out** of this service, please check the box below, sign, and return this form to Northeast Community Credit Union.

I choose to opt-out of using the Visa Account Updater (VAU) service.

By signing below, I agree to opt-out of using the Visa Account Updater (VAU) service.
